QUAKERS BADLY WHIPPED.

UNEXPECTED VICTORY FOR LAFAY-ETTE'S FOOTBALL TEAM.

BAD PLAY ON PENNSYLVANIA'S PART ALLOWED A COLLEGE CLASSED AS HER INFERIOR TO

WIN BY A SCORE OF 6 TO 4. Philadelphia, Oct. 24.-In the presence of 13,000 people, Lafayette lowered the pride of Pennsylvania this afternoon by thrashing the Quakers at football by the score of 8 to 4. The defeat came with crushing force to Pennsylvania from its total unexpectedness, and that, too, at the hands of a college which is not considered in the same athletic class as the big Philadelphia university. There is no balm in Gilead for Pennsylvania to take the sting out of the defeat, as it was directly due to

their own bad playing.

Pennsylvania won the toss, and in the first half had the partial help of a strong wind. Throughout had the partial help of a strong wind. Throughout the half the play was altogether in Lafayette's territory. Gelbert and Mindes circled Lafayette's ends for good gains time and again, and the left side of Lafayette's line was bucked for many yards. Several times after carrying the ball almost to Lafayette's line the fault the Quakers seem unable to overcome this senson cropped out, and they would lose the bail on a fumble. Finally they succeeded in holding the ball, and Uffenheimer was pushed through the centre for a touchdown. The done in the half. Pennsylvania's defence was magnificent, and only once did Lafayette succeed in

magnificent, and only once did Lalayette succeed in making the necessary five yards in this half.

Pennsylvania statted off in the second half by carrying the ball to Lafayette's fifteen-yard line, and there lost it on a fumble. Lafayette could not gain, and resorted to punting, and this helpod to win the game for them. While Bray's kicking was not good, the exhibition Mindes was giving was harrowing to the followers of Pennsylvania. His punts had little force in them, and when he fell back to take one of Bray's kicks he almost in-variably fumbled it, and then stood still and was downed in his tracks. Finally the speedy Barciay went around Pennsylvania's right end for twentyfive yards, Lafayette's biggest gain. The ball went from one team to the other, and it was passed to Mindes to kick from Pennsylvania's ten-yard line. Mindes kicked, and the ball rolled along the ground for a few yards and Lafayette got it. fayette fooled the Quakers on a "fake" pass, and Barclay went around the right end to Pennsylvania's three-yard line. On the line-up Barclay went around the Quakers' left end for a touch-down, from which he easily kleked the goal. The Quakers seemed stunned by the suddenness of the thing, and for the short remaining time played like

thing, and for the short remaining time played like wooden men.

When play ceased the ball was on Pennsylvania's twenty-yard line. While Lafayette deserved her victory for taking advantage of a bad play. Pennsylvania outplayed the Eastonians and kept the ball in their territory nearly all the time in both halves. For Pennsylvania Gelbert played a fine game at half, and on the defence the whole Quaker line was impregnable. Woodruff's fumbles and Mindea's miserable punting cost Pennsylvania the game. Lafayette was without the services of Wall-bridge, the captain, who was ill, and was so much weakened. Barclay played his usual brilliant game at half, and the giant Rhinehart was a tower of strength in blocking, breaking through and tackling.

A VICTORY FOR THE TIGERS. PENNSYLVANIA STATE COLLEGE BEATEN, 39 TO 0.

Princeton, N. J., Oct. 24.-The Tigers won easily from Pennsylvania State College football team to-day by the score of 29 to 0. The State College eleven was outplayed at every point, the only noteworthy feature of their game being a series of to the extent of twenty-five yards. Their formation consisted of dropping the guards back and naking a mass play against the line. Princeton put up an all-round good game, but she was not put up an all-round good game, but she was not compelled to exert herself to any great extent, as the State College team was unable to make a very stout resistance. The best ground-gaining for Princeton was done by Smith and Church. who made runs of forty-five and fifty yards respectively, both around right end, and each scoring a touchdown. The other touchdowns were made, for the most part, by rushes of Reiter, Kelley and Schwartz, as well as by end runs.

Bajrd again made himself the hero of the day by dropping a goal from the thirty-five-yard line, which evoked hearty cheers from the spectators. The interference, while not up to that shown in re-

cent games, was not of an inferior quality. The tackling of McChesney and Curtin, of the State team, was the best feature of their game, aside from the team play against the opposing line. The line-up follows:

HARVARD DEFEATS CORNELL. BROWN'S KICKING SUPERB-AN EXCITING GAME,

RESULTING IN A SCORE OF 13 TO 4. Ithaca, Oct. 24 (Special).-The Harvard football team made its first appearance on Percy Field this

Notwithstanding the fact that Harvard's captain was not in his usual place at half, the Harvard team played a strong game. Brown's kicking was superb. He kicked a goal from the field in fifteen minutes after play had begun, and twelve minutes after Sullivan went around Cornell's left end for a touchdown. Score, 3-0. In the second half Graydon took Moulton's place

at right end. Cornell's touchdown was made by at right end. Cornell's touchdown was made by Taussig, who blocked a kick and fell on the ball. This was soon followed by Dunlop's touchdown around Cornell's left end. Cornell played a strong game. Her line was invincible and her interference was in general good. Harvard played, as might be expected, a kicking game. Her star work was done by Dunlop, Sullivan and Brown. For Cornell, Beacham, Lueder, McKeever and Taussig did fine work. AN EAST AND ONE-SIDED GAME FOR THE PROVI DENCE COLLEGIANS.

Providence, Oct. 24.-Brown had not the least trouble to-day in defeating Lehigh, 16 to e and if she had played the game she played a week ago against Fervard the score would undoubtedly have been doubled. The first half was slow, Brown scoring only at the end. In the second half the home eleven woke up, and pushed through their opponents' guards and centre and around the ends

to within ten yards of Lehigh's goal when the ball was given to the visitors. Once Fultz made a brilliant run of seventy-five yards for a touch-down, which was not allowed because the umpire saw holding by Brown. The line-up:

YALE'S NARROW ESCAPE.

THE CARLISLE INDIANS NEARLY TIE THE GAME WITH HER TEAM.

A DECISION OF REFEREE HICKOK GIVES THE VIC-TORY TO OLD ELI'S SONS-CHEERS AND

One of the only two football games arranged for

Such a game. Many people wished to get a line on Yale for the coming annual struggle with Princeton. The copper-colored sons of Carlisle have learned the rough and tumble sport of the paleface, and under the coaching by Hickok, the old Yale athlete, the indians are a team which will give most of the college classes of the coaching of the control of the college classes of the control of the college classes of the control of the college classes of the colle

Indians are a team which will give most of the col-lege elevens of the present season a close hattle.

The Indians showed that they could pley football in their recent game with the Princeton Tigers, but even their most enthusiastic admirers hardly hoped for the fine showing they made in Harlem yesterday afternoon. The Indians, natural athletes that they are, played with an abandon which carried the sym-pathies of the crowd. With their brenzed faces, shargy manes and swarthy skins, shown off by crim-son sweaters, they looked like their forefathers, who were compelled in their time to surrender to the white were compelled in their time to surrender to the white man, but on a different sort of battle-field. Their friends in the stands greeted them with a genuine war whoop when they appeared on the spongy water-soaked field.

The management, unfortunately for the colleges, had been left in the hands of the New-York baseball club, which may account for the fact that the coneith, which may account for the fact that the attendance test was so badly advertised and that the attendance was so small. Not more than 3.6% people were present, in spite of the perfect weather overhead; but then some people object to being compelled to pay \$1.50 to witness an exhibition game of anything, even foot-

spectators of the game, including many old football men, who thought that the decision made by Referce Hickok against the Indians in the second half of the game was entirely wrong. With the score at 12 to 6 game was entirely wood.

and the referee a Yale man, there is a suspicion that
Mr. Hickok may have drawn the lines a little too fine. At any rate the applause and hisses when the decision was announced were about evenly distributed.

The play over which the dispute arose was as fol-lows: The ball was passed back by the Indian quarterback to Jameson, who, aided by splendid inter-ference, skirted Yale's left end, where, after dodging several players, he found a clear field, through which he had no difficulty in running to make his touchdown. The referee seemed to think that the ball was not in play, and gave his decision accordingly. It looked at one time as if the Indians were going to leave the field, but Referee Hickok, who going to leave the field, but Referrer Hickor, who has been coaching the team this fall, made an appeal to them to go on with the game, and they did so, although they showed by their manner that they thought they were not getting a fair show. Had this score been allowed, and a goal been kieked from the touchdown, the game would have been a tie, Hickok is said to have admitted that a model a mistake.

Had this score been allowed, and a goal been kieked from the touchdown, the game would have been a tie. Hickok is said to have admitted that he made a mistake.

As to Yaie's playing, the friends of Old Ell cannot be any too well pleased; in fact, the team did not show up in any better form than it did-at Orange two weeks ago. The line is uneven, and the left end was attacked repeatedly by the Indians for gains. Both teams indulged in a lot of offside playing all through the game. The Indians are a stocky lot, and excel in mass plays. Were they quicker on their feet, and had they better scientific knowledge of the game, they could easily be put in the class with the "Big Four." As it is, they show the result of the training this fail.

Two halves were played, the first of twenty-five minutes' duration, and the second of twenty minutes. The Indians were the first to score, making a touchdown after three minutes of actual play. Yale made some impression at the start. Cayou got the ball on the Indians' 25-yard line, and, skirting the entire Yale team, made a fine run of about seventy-five yards and scored a touchdown. B. Pierce kicked a goal.

Three minutes later Yale tied the score. The New-Haven collegians carried the ball down the field by steady rushes, and Mills was pushed over the line for a touchdown. Chauncey kicked a goal, in the disputed touchdown Jamesom made a fine run of seventy yards. There was some betting that the Indians would not score.

Another reporter was ejected from the grounds yeaterday. Freedman called upon the police to eject the newspaper man, but they refused, and the manager compelled some of the ground attendants to do it.

ST. PAUL SCHOOL DEFEATS TRINITY.

The football eleven of the St. Paul School de feated the Trinity School team at Garden City ves

terday afternoon by a score of 30 to 0.

The features of the game were the fine interference and tackling of the St. Paul team, which played an aggressive game from the start. The play of St. Paul showed marked improvement over previous games. Trinity played a plucky defensive game, but was utterly unable to advance the ball against the St. Paul's stone-wall opposition. only one instance did the Trinity players get the ball near the St. Paul goal, and then it was swept back down the field in short order. STEVENS DEFEATED BY NEW-YORK

The New-York University eleven scored an eavictory over Stevens yesterday, defeating them ! Foster played a brilliant game at halfback for New-York, and did nearly all the scoring. He made two eighty-yard runs, and several of thirty five or forty yards. The University team showed the effects of the excellent conching it has re-ceived from W. T. Bull, and it is new hoped that the team will give Wesleyan a hard game when they meet on Thanksgiving Day.

The Pacific Football Club and the crack team Jersey Oval at Bergen Point yesterday afternoon The visitors were defeated by a score of 12 to 6 in a game that was fairly well contested, although most of it was fought in the Pacifies' territory, Parelay and Ward, for the New-Jersey Athlette Club, made touchdowns, and Whyte and Barclay each kicked a goal.

Williamstown, Mass., Oct. 24.-Williams played the best game of the season against Bowdoin this afternoon and won. 22 to 0. Bowdoin played pluck-By, but was outclassed at every point. Williams showed up best in the last half, when Bowdoin's Penalties for off-side play and for holding proved tackles were hammered unmercifully and continu ously, and each time for long gains. Williams's goal was not endangered during the game.

The closing matches in the handicap series for the two Mackay cups were played yesterday at the Englewood Golf Club. These competitions have been held fortnightly since July 4. One cup was played for by the women of the club, and the other by the men, the conditions for each being that it should belong at the order. belong at the end of the season to the player who had won it the greatest number of times. Rather had won it the greatest number of times. Rather singularly, the contests have resulted in ties for each cup, which will probably be played off some day this week. In the women's tournament yes-terday morning, Mrs. Frank Enos was the winner. As she had a previous victory to her credit, this gave her two claims upon the cup. Mrs. J. A. Wells has also won it twice, so the deciding game will be between these two. The other women who have been winners once each are Miss Helen Burritt, Mrs. B. F. Reinmund, Mrs. Hardy M. Banks, jr., Miss Lulu Mowry and Mrs. Henry W. Banks, jr., Miss Three players tied for first place in the men's tournament yesterday, with scores of 55 ner. They were W. C. Van Antwerp, A. T. Enos and G.

Lydecker, who will thus have to play a deciding game. If this should be won by Van Antwerp, he will also win the cup, for he has two former victories behind him. If he does not win this tie, he and E. H. Jewett, who has also won the cup twice, will still H. Jewett, who has also won the cup twice, will still have a tie to play off. This was the decision of the Green Committee. Many, however, were of the opinion that as the contests were to close to-day, Van Antwerp should be declared at once the winner, he having clearly a better claim than any one else. Others who have won the cup once each are Maicolm Campbell, Dr. J. A. Wells, Frank Enos and C. B. Kell.

MOUNT VERNON.

John Donaldson, a retired marble dealer, formerly of Brooklyn, was found dead in his bed yesterday morning at his home, No. 152 Summit-ave., Chester Hill. Mr. Donaldson was thirty-six years old, and leaves a wife and three children. He was in the stone and marble business in Brooklyn, and lived at No. 45 Greene-ave. until February of this year, when he purchased the house of Stuart Cowan, and removed to Mount Vernon. An afternoon tea party will be given at the Martha

An afternoon tea party will be given at the Martha Wilson Home for Aged Women on Thursday, October 28. The tea will take place in the parlors of the home. It is probable that frequent entertainments of this kind will be necessary in the winter to maintain the home. Until a few months ago the board of managers had been able to meet the experses, but a portion of the income having been removed by deaths there is now a shortage each month, which must be met by public charity.

The people who braved the storm on Friday evening in response to the promise of the Executive Committee of the Central McKinley and Hobart Campaign Club that there would be "some good closing pointers on the campaign," declared that it was one of the best meetings of the campaign. It was held in Lincoln Hall, and a large number could not secure seats. The Campaign Glee Club opened the meeting, and while it was singing the First Ward and the Fourth Ward organizations marched in behind bands of music. The club sang a new niece, "The Wheelmen's Campaign Song," composed by a member of the Mount Vernon Musical Society, the solo being sung by E. A. Robinson. Ex-Mayor Edson Lewis presided, and his brief address was conthusiastically received. Judge Jerome B. Pisher, of Chautauqua, made the principal address, He was followed by Mr. Ba'es. Among the many on the platform were ex-Judge Isaac N. Mills, Assembly, Dr. Archibald T. Banning, candidate for Coroner; Colonel Henry Huss, Colonel J. E. Bryant and Edwin B. Maynard.

At the morning service in the Presbyterian Church last Sunday a letter was read from a missionary in service in the western part of New-York State, whose financial condition appealed strongly to the sympathies of all who heard it, in answer to this a large and valuable collection of useful articles was received by the women members on Wednesday afternoon, and many have been received since. The letter, with its touching needs, went to the hearts of all who beard it read, and the response has been generous.

While returning from the railway station last evening W. H. Bowers, Editor of "Modes and Fabrics," and his wife were thrown from their runsbout and injured. The horses, a spirited pair of hay cobs. took fright at a trolley-ear in First-st. and dashed into Eleventh-ave, striking a telegraph pole and overturning the vehicle. Mr. Bowers was entangled in the wreckage and dragged down the avenue, striking a hydrant. Mrs. Bowers was picked up unconscious. They were removed to their home, No. 34 South Third-ave. The runsway horses were captured near Kingsbridge, Late last night it was announced that Mr. and Mrs. Bewers's injuries, although painful, are not serious.

The pulpit of the Baptist Church at the morning service to-day will be occupied by the Rev. Dr. E. E. Chivis, of New-York City.

The Road Committee of the Village Board of Trustees is engaged in formulating a plan for keeping satisfactorily clean the newly laid vitrified brick navement in Railroad-ave. A strong effort is being made to establish in this village a branch society of the Young Men's Christian Association. than Association.

The warrant of the village tax collector has been extended to December 1.

To the Editor of The Tribune.
Sir: We, the members of Lincoln Republican Club, of White Plains, wish to deny the piece printed in "The Pecket" Blade" of last week, stating we had so many members, and some of them were Bryan followers. There are not many Bryan men here, except those who don't know any better. Our club is 250 strong, and there are 250 votes for McKinley, who will be our next President.
